

Technical Sessions				
Date	Time	Sessions	Sessions	Sessions
Monday, May 17	13:00 – 15:00	Session 1A T02 Tunnelling in Soft Ground (I)	Session 1B T04 Tunnelling in Weak Rock	Session 1C T16 Innovation and Research for Tunnelling
	15:30 – 17:30	Session 2A T03 Hard Rock Tunnelling (I)	Session 2B T13 New Advances in Contract Practices and Procurement and T14 Commercial Aspects for Tunnel Projects	Session 2C T15 Tunnel Lining and Grouting and T11 Rehabilitation and Repair
Tuesday, May 18	13:00 – 15:00	Session 3A T06 New Advances and Innovation in Mechanized Tunnelling (I)	Session 3B T02 Tunnelling in Soft Ground (II)	Session 3C T01 Innovative Techniques and Advances in Geotechnical Investigations for Tunnel Projects
Wednesday, May 19	08:30 – 10:00	Session 4A T02 Tunnelling in Soft Ground (III)	Session 4B T18 Safety in Tunnelling	Session 4C T10 The Use of Underground Space (I)
	10:30 – 12:00	Session 5A T03 Hard Rock Tunnelling (II)	Session 5B T07 Tunnelling under Sensitive Structures (I)	Session 5C T10 The Use of Underground Space (II)
	13:00 – 15:00	Session 6A T06 New Advances and Innovation in Mechanized Tunnelling (II)	Session 6B T12 Risk Assessments	Session 6C T05 Tunnelling under High Stress Conditions
	15:30 – 17:00	Session 7A T07 Tunnelling under Sensitive Structures (II)	Session 7B T17 Sequential Excavation and Sprayed Concrete Linings	Session 7C T08 Geotechnical Instrumentation and Monitoring
